

Executive Director
St. Vincent Home for Children, St. Louis, MO

A key leadership opportunity exists at the St. Vincent Home for Children, a residential treatment environment, special education facility and emergency shelter that serves children ages 6-18. To learn more about St. Vincent, visit our website at www.saintvincenthome.org.

The executive director position requires:

- Extensive management and leadership experience, enabling the executive director to oversee operations, including delivery of quality services, residential and school programs;
- A passion for the mission and vision of St. Vincent; knowledge of industry and program trends; previous experience with accreditation practices;
- The ability to support the work of the Board of Directors by informing the Board of agency management strategies; assisting with the formulation of organizational policies; oversight of fiscal management; supporting the Board as needed in the implementation of the vision and mission of St. Vincent;
- Management, motivation and development of staff; support and participation in resource development planning and implementation; and an ability to connect St. Vincent to the community by sharing the positive impact of its mission, programs and services.

Qualifications for the position include:

- At least five years of leadership experience in residential treatment and/or special education;
- An advanced degree from an accredited college or university in a field related to the St. Vincent mission or services;
- The skills to oversee fiscal management and agency accountability practices;
- Resource development and public speaking experience; and
- The ability to work effectively and proactively with other community providers and local, state and federal entities.
